MOREHOUSE HEALTHCARE CELEBRATES GRAND OPENING AT THE HOWELL MILL LOCATION

January 23, 2014 - ATLANTA - Morehouse School of Medicine (MSM) hosted the grand opening of Morehouse Healthcare's new 30,000 square foot location on Howell Mill Road in Atlanta last week. Morehouse Healthcare, once known as Morehouse Medical Associates, is the school's faculty practice plan and now has locations in Atlanta and East Point.

"This grand opening marks an evolution in our mission of service to the Atlanta community and Georgia," said President John E. Maupin, Jr. during the ribbon cutting ceremony. "In this new leading edge facility we able to expand our service offerings and significantly enhanced our competitive position as a patient-centered, high quality healthcare organization."

This state-of-the-art medical complex is outfitted with the newest medical advances, to provide comfort, professionalism and an enhanced patient experience. In addition, it allows doctors to offer a comprehensive approach to patient care, with quick access to support services; the building hosts a multi-specialty outpatient surgery center, a medical imaging center, as well as other prominent practice groups.

Following MSM's mission to improve the health and well-being of individuals and communities, Morehouse Healthcare offers superior quality primary care, as well as multiple specialties, including:

Adolescent Medicine	Immunology
Adult Medicine	Infectious Disease
Behavioral Health	Nephrology
Cardiology	Neurology
Endocrinology	Oncology
Family Medicine	Pediatrics
Gastroenterology	Pulmonology
General/ Plastic Surgery	Travel Medicine

About Morehouse School of Medicine (MSM)

Morehouse School of Medicine (MSM) was founded in 1975 in Atlanta, Georgia, as a two-year medical education program at Morehouse College, with clinical training affiliations with several established medical schools for awarding the M.D. degree. In 1981, MSM became an independently chartered institution and the first medical school created at a Historically Black College and University in the 20th century. MSM is among the nation's leading educators of primary care physicians and was recently recognized as the top institution among U.S. medical schools for our social mission. Our faculty and alumni are noted for excellence in teaching, research and public policy, as well as exceptional patient care.

Morehouse School of Medicine is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award doctorate and master's degrees.
