### Key Dates

#### Letter of Intent

May 23, 2022

#### Application Due

July 1, 2022

# CLINICIAN SCIENTIST DEVELOPMENT GRANT

Award \$600,000

The American Cancer Society is intended to fund underrepresented minority early-career clinical scientists at the level of Clinical Assistant Professor within the initial 6 years of faculty appointment. Awardees will participate in career development, mentorship, and lead a cancer research study to eliminate cancer health disparities.
